Dear Parents and Whanau

Following the Prime Minister's announcement Tuesday evening, we will be moving to Covid Alert Level 2 with effect from this morning. This is due to the four cases of community transmission that have arisen in Auckland. At this point we are not aware of any transmission in the Waikato area. We continue to work under the advice of both the Ministries of Health and Education. We will be open for all students and will continue to maintain our strong hygiene practices. At Level 2 we will have no meetings or gatherings in excess of 100 people. If for any reason your child is immunosuppressed or at risk we recommend that you keep them at home. Please let the school office know so that work will be provided on our digital platform.

At this point we expect to be at Alert level 2 for the rest of this week. However the situation remains fluid and we will update you with any further advice when we receive it. Again, we would echo the Prime Minister's message of being kind and watching out for all the members of the team of 5 million.
