Dear Parents and Whānau

Thank you for your continued support with our altered learning programme over the last week.

We would greatly appreciate you communicating any positive household cases of Covid-19 with the school by phone or email. This includes any Te Aroha College student and anyone in their household. We assure you this will be kept confidential.

This information is required by the Ministry of Education and will support us to mark the attendance register correctly. Any absence due to Covid does not count against the student's attendance.

Please note the Community Testing and RATs collection site is located at the Spur Street Carpark, Te Aroha, from 9.30am-11.30am and is open seven days a week.

Online Learning Thursday 03 March and Friday 04 March

- Thursday 03 March—Wednesday Timetable. Subject teachers will be checking in with their students at the timetabled time.
- Friday 04 March—Students expected to be available for online lessons at the timetabled time.

Any students without internet access from home and/or who are under the age of 14 and have no supervision at home are able attend onsite on Thursday and Friday. Please contact the front office to arrange this so we can provide staffing on site.

Week 6

Plans for the teaching programme during Week 6 will be confirmed and communicated by Friday.

Once again we thank you for your continued support.
